2011 Assembly Joint Resolution

Relating to: Diabetes Awareness Month 2011.

Whereas, diabetes is a serious, common, costly, yet controllable disease, affecting 23.6 million people in the United States, including over 420,000 Wisconsinites, and is the sixth leading cause of death in the U.S.; and

Whereas, diabetes is a group of metabolic diseases in which a person has high blood sugar, either because the body does not produce enough insulin (Type 1 diabetes), or because cells do not respond to the insulin that is produced (Type 2 diabetes), and that these chronic conditions are manageable with changes to diet, exercise, and the use of insulin medications; and

Whereas, 57 million Americans have a condition known as pre-diabetes, which can lead to Type 2 diabetes, but that the onset can be prevented or delayed through lifestyle changes including regular exercise and a healthy diet; and

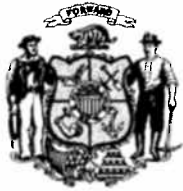

Whereas, people with diabetes are at increased risk of related complications including blindness, kidney disease, foot and leg amputations, cardiovascular disease, stroke, depression, and death from influenza and pneumonia; and

Whereas, diabetes is a significant driver of our country's healthcare costs, where approximately one in five healthcare dollars in the United States is spent caring for

someone with diagnosed diabetes, with the estimated direct (medical care) and indirect (lost productivity) economic costs of diabetes in Wisconsin totaling \$5.26 billion; and

Whereas, education on diabetes self-management prevents hospitalizations, where every \$1 invested in education can cut healthcare costs by nearly \$9; now therefore, be it

Resolved by the assembly, the senate concurring, that the Wisconsin Legislature does hereby proclaim November 2011 to be Diabetes Awareness Month in Wisconsin and urges all the citizens of our state to familiarize themselves with the risk factors associated with diabetes, and the ways in which they can make healthy lifestyle choices to prevent or delay the onset of this common chronic condition.

Subject: FW: AJR Rep. Toles

Mr. Miller,

Here are the edits Rep. Toles would like made to LRB 2808/1:

Page 1, line 3: 23.6 million should be changed to **25.8** million

Page 1, line 3: 420,000 should be changed to **475,000**

Page 1, line 4: sixth should be changed to **seventh**

Page 1, line 10: 57 million should be changed to **79** million

Page 2, line 4: \$5.26 billion should be changed to **\$6.10** billion

We're all set to introduce the bill as soon as the changes are made. Thank you.

Christian Ullsvik
